

I'm Out on my Walk

**I'm out on my walk
It's going to be fun,
What will I see?
A jogger on a run**

**I'm out on my walk
I'm looking around,
What will I see?
A puddle on the ground.**

**I'm out on my walk
I'm looking and spying,
What will I see?
A flock of geese flying**

**I'm out on my walk
It's keeping me sane,
What will I see?
Oh no, it's starting to
rain!**

Time to go home!
